About Tackyon IT Consulting Private Limited

Tackyon IT Consulting Private Limited is a quality-oriented company involved with HR Outsourcing and Training Services. It was founded in 2004, with a view to provide services to employer and candidates in Indian Region. Tackyon are Human Resource Consultancy Company specializing in the Recruitment, Training, Temporary Staffing and Other Consulting areas. Our skills and expertise cover a wide range of HR activities and initiatives. The programs we design are developed to meet specific organizational needs.

The history of the company shows its fast growth pattern in past years and is recognized as one of the most friendly and unbiased services providers. Tackyon's ideology works on basic principles of Quality, Professionalism and Honesty, which help us maintain the quality instead of quantity.

Our association with major organizations reflects the quality of service that we have rendered in the past; we are continuously working towards developing new and better ways where we can either locate the apt Human Resource or Equip individuals with skill sets required by the employer. We have started training modules for training for HR, Finance, Marketing and Communication.

Tackyon's Recruitment services are a Team Effort. We keenly observe the requirement and provide the best output in terms of quality service to its clients. Tackyon tries to match the requirements to the maximum level to give maximum level of satisfaction to the employer.

Tackyon is committed to helping organizations increase their productivity through better use of their human resources and to enable client companies to achieve real competitive advantages.

We Specialize in the following functions, and practices of the human resources management discipline.

- Career Guidance and campus Recruitments
- Recruitment Solutions
- Job analysis
- Organizational design
- Performance management
- Training and development
- Compensation and benefits
- Organizational development
- Human Resource Audit
- Organizational Competency Mapping
- Employee Training

Proposal for Pool campus – 2012

Tackyon helps in career counseling and manpower development aiming to revolutionize the way Indians make career decisions and develop their professional lives.

We provide students with information and knowledge about the choices before them, and assist them in making an informed decision. Our strong database of information and knowledge is backed up by constant research, thus providing students with the most up-to-date information possible. We also provide soft skills enhancement Services, like personality development workshops and finishing school, to help increase the all-round development of individuals.

Tackyon specializes in the effective recruitment and selection of temporary and permanent staff. With each assignment we undertake we try to become fully conversant with the needs of the organization, based on either specific position requirements or particular person specifications identified.

We are confident that we can provide the skills, methodology and experience necessary to meet requirements. Our interviewing and reference checking techniques along with our objective assessment provide us with the basis for minimizing many of the risks inherent in selection.
